

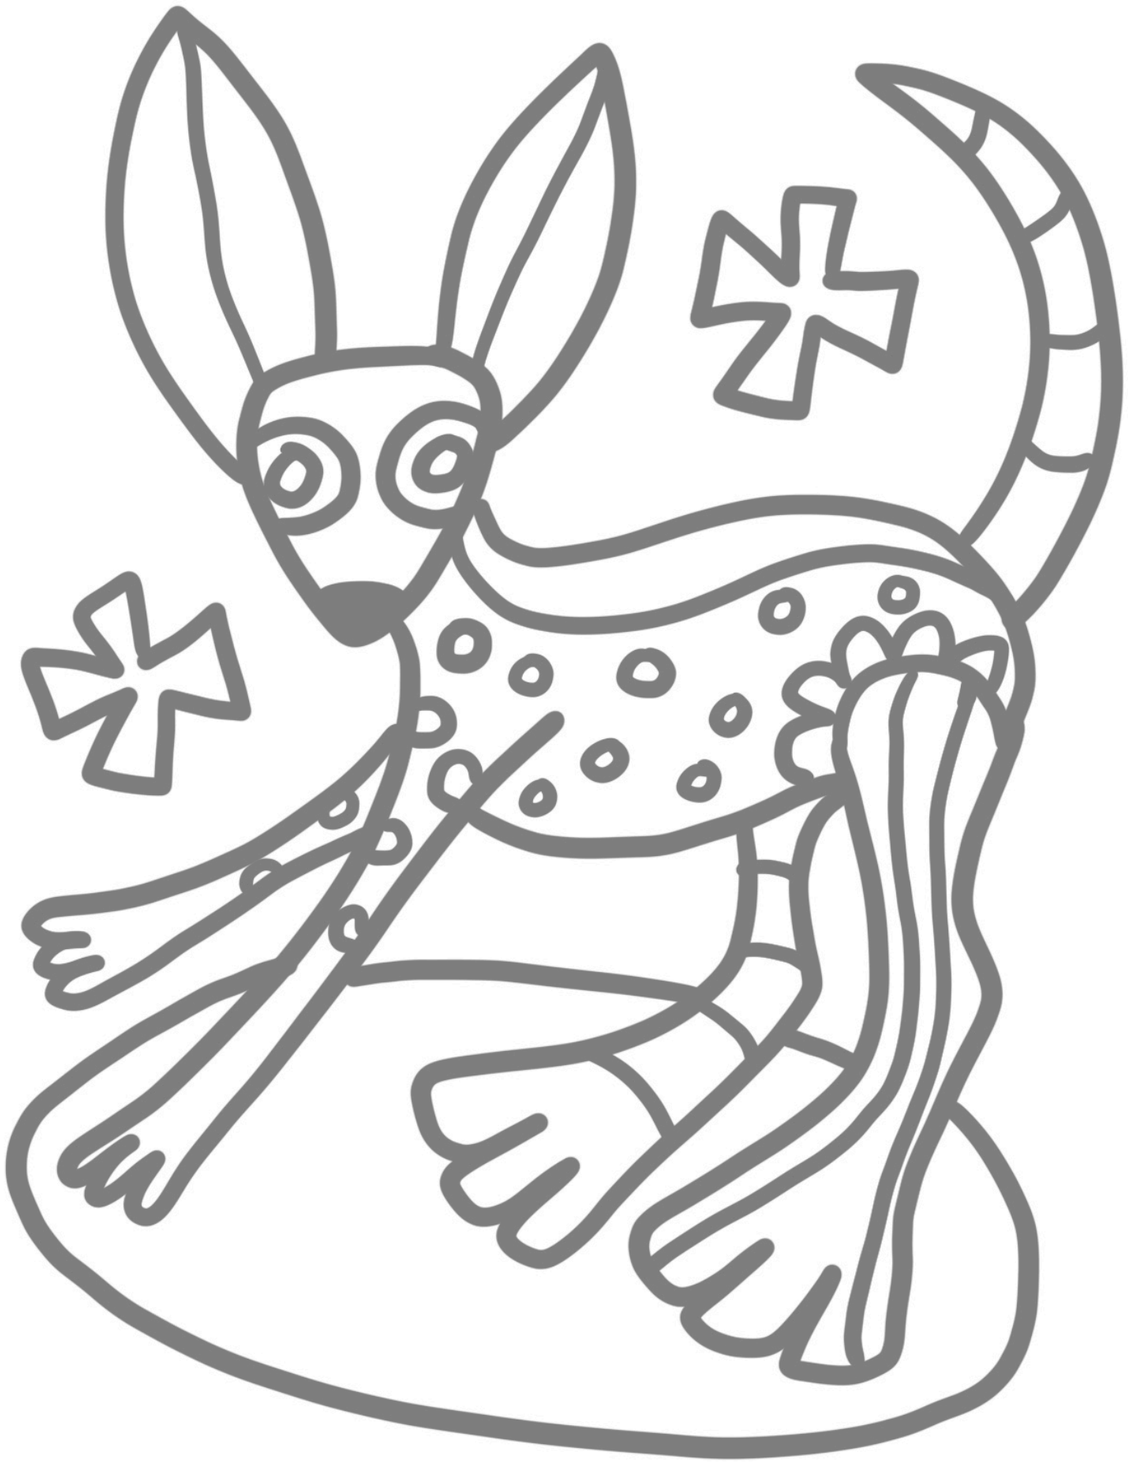
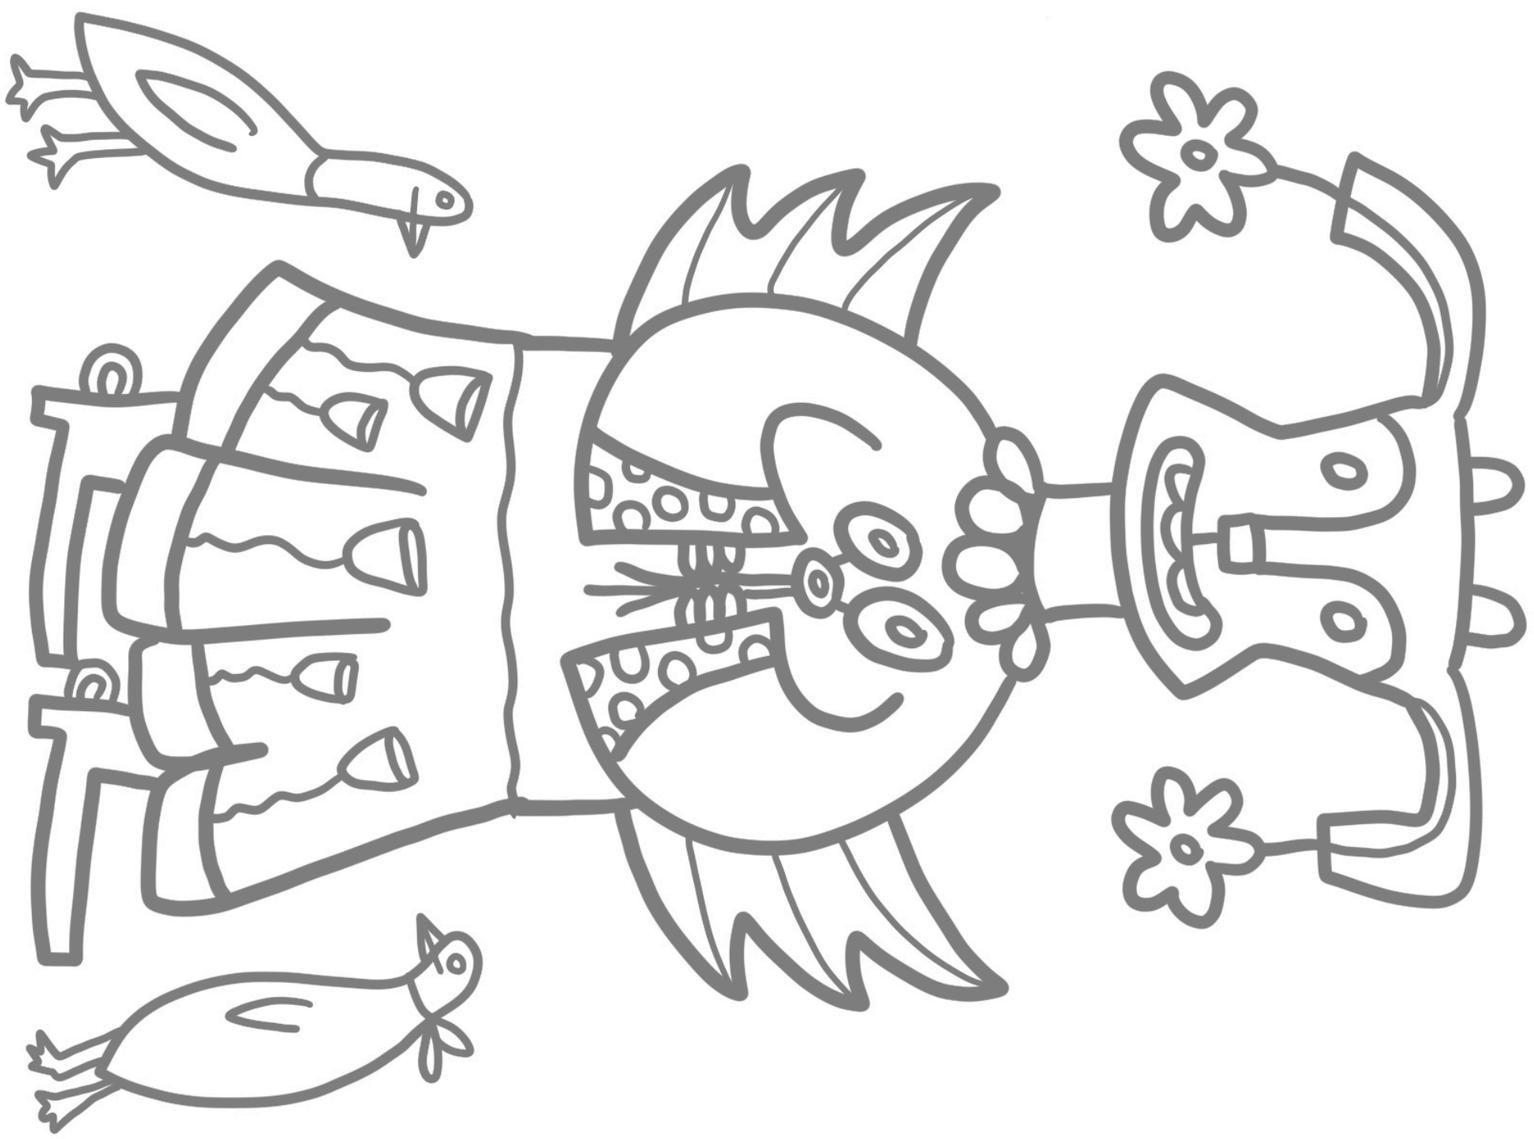
mixed up Alebrijes

MINI COLORING BOOK

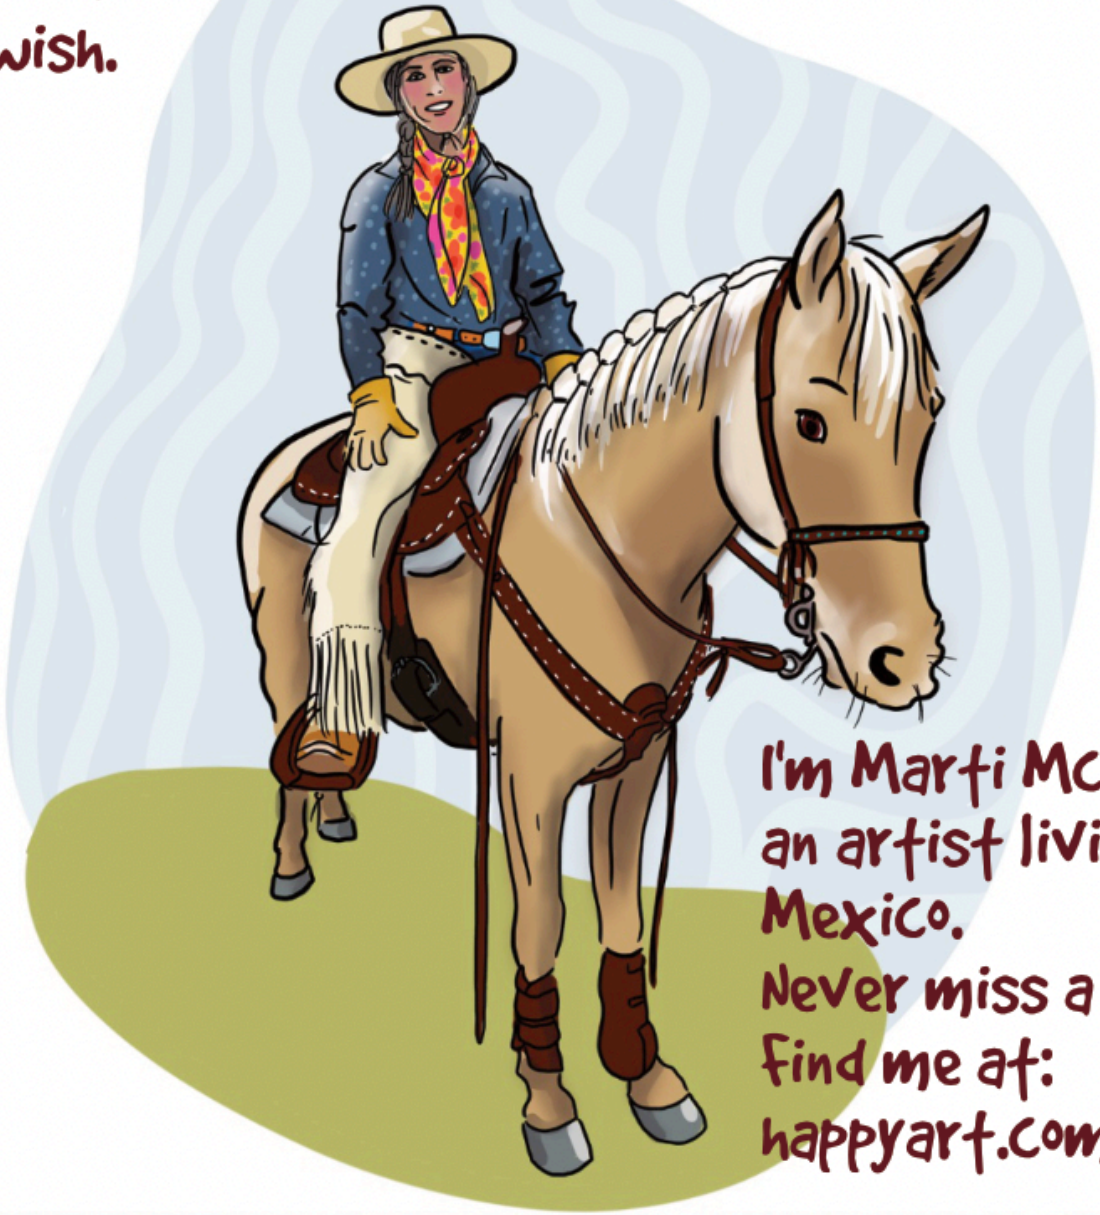




Howdy pardner!

This is a zine (rhymes with "bean"). They can be on any topic. This time I chose a coloring book theme featuring some of the best critters ever:

Alebrijes! Fanciful other-wordly sprites you can color and mix up as you wish.



I'm Marti McGinnis an artist living in Mexico.

Never miss a zine! Find me at: happyart.com
